

Brand Usage Guide

Approved logo asset package - version 1.0

Strength. Clarity. Precision.

Black represents focus. Silver represents excellence. Green represents growth.

Logo variations

Choose the layout that best fits the available space.

FULL - use when the tagline remains legible

HORIZONTAL - wide headers and signatures

STACKED - centered or portrait layouts

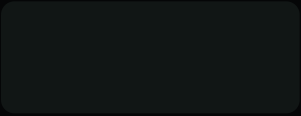

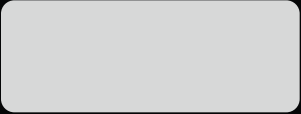

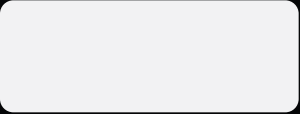

ICON ONLY - avatars, favicons, and small spaces

WORDMARK - when the shield is shown nearby

Color and handling

Maintain contrast, clear space, and the supplied proportions.

			
OBSIDIAN #050607	GRAPHITE #111615	DARK GREEN #20302A	ALPHEYGA GREEN #537565
			
GREEN ACCENT #6F9562	SILVER #D7D8D8	BRIGHT SILVER #F2F2F3	SLATE GRAY #868887

Minimum size

Icon: 16 px digital. Full logo: 160 px wide digital. Print: test for legibility.

Clear space

Keep clear space equal to at least one-half of the shield height on every side.

Do

- Use full color on black or dark green.
- Use black on light backgrounds and white on dark backgrounds.
- Use transparent PNGs for digital placement; use SVG where supported.

Do not

- Stretch, skew, rotate, or rearrange the logo.
- Change the approved colors or add effects.
- Place the logo over busy imagery without adequate contrast.
